Toronto, Ontario

Skills

Javascript	Html	Css
React JS	Bootstrap	Github
Tailwind	Jquery	Node JS
Express JS	Handlebars	Mysql
Sequelize	MongoDB	Mongoose

Objectives

Creating fully functional, attractive, and responsive websites is my goal and passion. I have been sharpening my skills in both Frontend & Backend technologies and wish to utilize these skills to further my experience and further develop my abilities. I enjoy solving complex problems, learning & using new technologies, & building fantastic websites from the ground up.
