Toronto, Ontario

Skills

Javascript	Html	Css
React JS	Gsap	Bootstrap
Github	Tailwind	Jquery
Node JS	Express JS	Handlebars
Mysql	Sequelize	MongoDB
Mongoose		

Objectives

Creating fully functional, attractive, and responsive websites is my goal and passion. I have been sharpening my skills in both Frontend & Backend technologies (focusing on UX UI currently) and wish to utilize these skills to further my experience and further develop my abilities. I enjoy solving complex problems, learning & using new technologies, & building fantastic websites from the ground up.
